

CODE OF CONDUCT

The Fanconi Anemia Research Fund (FARF) strives to create a welcoming and thriving environment for all of our FA family and stakeholders. In order to ensure that every member of the Fanconi anemia (FA) community is respected and supported, we've adopted some general guidelines to be implemented at all FARF-sponsored events and in online FA groups managed by FARF.

OUR MISSION

FARF's mission is to find better treatments and a cure for Fanconi anemia and to provide education and support services to affected families worldwide.

OUR PLEDGE

We value diversity and inclusiveness in the FA community, and encourage participation by fostering an open and welcoming environment. We as staff of the organization pledge to keep our FA community respectful and inclusive.

By participating in any FARF-sponsored event or online forum, you pledge to keep our FA community an open and welcoming experience for everyone, regardless of race, color, religion, gender, sexual orientation, national origin, age, disability, marital status, appearance, education, political affiliation or socioeconomic status.
